FROM OUR BOARD PRESIDENT

DEAR CHURCH FRIENDS,

I suppose this will be the closest thing I'll ever come to what might be called an inaugural address, so here goes.

I came to this church for the first time in October of 1996 very shortly after I moved here from California. I was looking for a community of friends with similar likes and values and I have never been disappointed. The church has meant a lot to me over the years and it would be hard to imagine what my life here would have been like in Corpus Christi without it. I suppose that fits the definition of what a loving community should be.

I'm honored to be entrusted with this responsibility and will constantly remind myself of all the others who came before me and made this church possible. I hope that someday they'll look back at me with the same fondness.

It's interesting to note that the very first day I came to the U2C3 was the morning of the formal installation of our past minister, Tom Burdette. I didn't know a soul there. The stage was filled with numerous people dressed in formal robes, sashes and weird hats. There were so many formally attired dignitaries, and I wasn't even able to identify who the new minister was. I was totally surprised. I had no idea that this little church was such a "happening place!"

We don't see the "high church" too often, but it seems like there has always been something happening.

We've made tremendous strides since I came that first morning and I hope we never lose that energy.

We have had challenges in the past and there will be new challenges in the future, but when you've got a hundred something people pulling together, it's amazing what can be accomplished!

**SINCERELY,
KIRK NEWPORT**

CONGRATULATIONS ACKNOWLEDGMENT

Congratulations to Eric Payne for his Second Place Winning at the Art Center. He entered a competition for "Bless Me Ultima" Art contest at the Art Center, which was sponsored by the "Corpus Christi Reads."

Although **ANNE** had a C-section, all are happy and healthy!! And **ANNE** is wondering if she will ever get to hold **JEREMY**, since **JEFF** is a VERY proud daddy!

SEARCH COMMITTEE PROGRESS

Your Search Committee met Monday, November 26, with **REVEREND KATHLEEN ELLIS**, District Ministerial Settlement Representative. She reviewed with us our progress so far, and gave us great tips on the procedures to follow.

We should soon see a list of prospective ministers who have expressed an interest in serving our congregation, after they view our congregational record on the UUA Transitions web page.

Once we have that list, we will take a look at their information, contact them, and exchange informational packets with those we are interested in learning more about.

Later will come telephone interviews and reference checking. We'll let you know as we take those additional steps.

Right now, we want your help assembling information about our congregation for the packet we will send out. We want photos of church activities and people, either prints or digital.

Bring any of your prints to church on Sunday, to give to one of us. Please write your name on the back of prints so they may be returned. We'll scan them for use in the packets.

Or you may e-mail digital photos directly to **BILL BODRUG** who is helping us assemble the packet at **WBODRUG@STX.RR.COM**

We would like to show prospective ministers what a wide range of activities and programs we have here, and photos are worth a whole page of words.

Thanks for your help.

— **BARBARA BRIODY, CHAIR, FOR THE SEARCH COMMITTEE**

HERTA DOUDEN MEMORIAL SIGN FUND

One of HERTA DOUDEN'S parting gifts to our church was a request that at her memorial service, there would be a request to collect funds that could be used for the acquisition of a new church sign. An ad hoc committee is near a decision for a sign, but needs a more precise estimate of what funds are available.

Many church members have expressed a desire to contribute to HERTA'S request.

If you would like to contribute, please do so quickly!

You can mail a check to the church or give it directly to ROY ELLZEY OR EVELYN BOOKOUT.

Please indicate on the check that it is directed to HERTA'S memorial.

THANK YOU, KIRK NEWPORT

LANDSCAPERS REQUEST MULCH AND NEWSPAPERS

You have probably noticed how nice the landscaping at the church looks after some recent maintenance, especially at the corner of Holly and Joplin.

There's still more work to do and the church needs newspapers, grass clippings and leaves to help finish the job.

If you could bag these items and place them underneath the church sign it would be greatly appreciated.

DECEMBER POETRY REFLECTIONS

I open the door. The gorgeous guest from afar sweeps in. In her hands are her gifts - the gifts of hours and far-seeing moments, the gift of mornings and evenings, the gift of spring and summer, the gift of autumn and winter. She must have searched the heavens for boons so rare. — ABBIE GRAHAM

Candles are a gift of light, A tiny sun, a bit of star. No other dancer in the night Dances with such sheer delight, Little souls serene and bright, Each a glimpse of what we are, Shining innocent and pure. — Anonymous
